

SITE SAFE - BRISBANE**HIRE Rates 2012****SIZE 1.5—TOOL SAFE**

The prototype that took over the market! Big enough to really work on, and with plenty of storage. Also some extra features such as power lead holes for overnight recharging, and storage buckets on the door.

SIZE 1500 x 700 x 900mmh

Price: \$44.55 per week + GST

SIZE 2

Designed for high rises and shopping centres, wheel this unit through a standard door way! Fits into external lifts, and makes your life so much easier by not having to move tools up and down or in and out of buildings twice per day.

SIZE 1370 x 760 x 1750mmh

Price: \$48.51 per week + GST

SIZE 3

For the storage of larger items inside buildings. Able to be wheeled into areas with double doors. Good for inside shopping centres and in car park areas where space is limited. Stop your fittings from walking.

SIZE 2.6 x 1.3 x 1.8mh

Price: \$51.48 per week + GST

SIZE 4

This product is popular when the only storage area you have is in an underground car park. The low roof allows access to most standard car parks areas. Also great for smaller spaces but when you need the extra depth for machinery. Just a bit smaller than a 10 foot container!

SIZE 2.5 x 2.0 x 2.075 mh

Price: \$57.42 per week + GST

SIZE 8R

6 Metre container with four foldable rack arms for laying out pipe or creating shelves inside. When not in use the arms fold back against the wall. Giving more options than a standard container.

SIZE 6 x 2.4 x 2.6mh

Price: \$44.55 per week + GST

SIZE 2 —DANGEROUS GOODS UNIT

NEW! Great for smaller quantities. Good for gas bottles and minor quantities of flammable liquids. GREAT for LPG Gas bottles.

SIZE 1370 x 760 x 1750mmh

Price: \$69.30 per week + GST

SIZE 3—DANGEROUS GOODS UNIT / GAS OR LIQUID STORE

DANGER! Store your HAZCHEM in this unit. Good for gas bottles. Make sure you segregate your dangerous goods with two storage sides and double sliding doors.

SIZE 2.6 x 1.3 x 1.8mh

Price: \$79.20 per week + GST

Brisbane Depot: 659 Lores Bonney Drive, Archerfield 4108
