PRODUCTS & SERVICES

Fresh Water Flush Toilet

Suitable for medium to large construction sites. It is preferred by Government bodies and is Workcover approved.

Inclusions: Hand Basin, Flushing Water Seal Bowl

Capacity: 1-12 People on site

Fresh Water Capacity: 190L

Waste Tank Capacity: 420L

Size: 1200mm (w) x 1200mm (d) x 2500mm (h)

Sewer Connected Toilet

Suitable for long term construction sites and multi-storey buildings where there is limited space for a large ablution block.

Inclusions: Hand Basin, Full Flushing Toilet

Requires a sewer connection and water on site

Capacity: 1-12 People on site

Size: 1200mm (w) x 1200mm (d) x 2200mm (h)

Open Closet Chemical Toilet

Non-flushing unit suitable for small to medium construction sites. Due to Victorian Government regulations, this product is not available in Victoria.

Inclusions: Hand Basin

Capacity: 1-8 People on site

Waste Tank Capacity: 200L

Size: 1200mm (w) x 1200mm (d) x 2200mm (h)

Temporary Holding Tanks

Suitable for large construction sites where sewer facilities are unavailable or impractical. The ablution block sits on top of the tank and the waste outlet is plumbed directly into the top of the tank.

- Housed in its own structural steel frame
- Fits most ablution blocks
- Waste removal provided as required

Waste Tank Capacity: 3000L

Size: 3600mm (w) x 2400mm (d) x 900mm (h)

Single Shower Unit

Suitable for domestic renovations or construction sites.

The shower heater requires fresh water from a standard garden hose and a 240v power point.

Size: 1200mm (w) x 1200mm (d) x 2200mm (h)

Additional products available. Please visit our website for the full range.

Servicing & Cleaning

When you hire a SANI HIRE Portable Toilet, you're guaranteed clean, reliable servicing as often as you need it – twice daily, daily, weekly – even after hours! We remove the waste, thoroughly clean the unit and replenish all fresh water, paper and chemicals. We can also clean and service your third party portable toilets and tanks. We can add them to our service run, or service them on demand. See our website for full details of service areas and days when we're in your area.

SANI HIRE uses only environmentally safe, non-formaldehyde chemicals, approved by all relevant Government bodies, unions and environmental groups. You can hire our toilets, tanks and showers by the day, week and weekend. For a quote and delivery information, go to www.sanihire.com.au or call our friendly staff.
