

## **GLEASON CRANES COMPANY BIO**

Gleason Cranes Australia Pty Ltd ("Gleason") has over 40 years experience in the crane industry building a reputation for providing the Australian market with quality new and used equipment for outright purchase or for dry hire through Gleason Rentals Pty Ltd.

Gleason has Australia wide distribution of a range of quality new cranes which include the following:

- Zoomlion Cranes (crawler, rough terrain, truck, tower cranes) 7<sup>th</sup> largest construction manufacturer worldwide
- Ormig Pick and Carry Cranes (Italy)
- Galizia Pick and Carry Cranes (Italy)
- JunJin Cranes and Self Propelled Ariel Platforms (Korean made)

All new cranes and lifting equipment are to Australian Standards and come with a 1 year warranty.

Gleason is also Australia's No.1 used crane dealer. We source cranes worldwide to bring Australian owners quality cranes to Australian Standards at a competitive price.

Our service consists of fully qualified & experienced crane technicians, an extensive workshop, testing areas and office facilities. This enables us to efficiently and effectively complete the reconditioning and service of all types and sizes of cranes.

Gleason has an Australia Wide Service Network ready to back up all our new and used cranes. Our own service technicians are at call for immediate travel where required.

Gleason ensures all cranes comply with the Occupational Health & Safety Standards and Road Registration Requirements in all States.

## **DRY HIRE**

We can provide you with used or **BRAND NEW** cranes for dry hire for a minimum of 12 months. Complete with operator and maintenance training.

We provide cranes on dry hire Australia wide. We currently operate cranes in Broome WA, Perth WA, Gladstone QLD, Sydney NSW, Melbourne VIC, Bathurst NSW

We can tailor a package to suit your needs, including spare parts on site, maintenance and inspection.

## **PURCHASE**

All new cranes come with a 12 month bumper to bumper warranty, backed by our Australia Wide Service Network.

## **HIRE BUY AGREEMENT**

Should you hire a crane from us and decide to purchase it outright, we will provide you with a 25% discount on your hire, off the purchase price. Valid for a period of 12 months from date hire starts.

## **ZOOMLION FINANCE**

Direct Dealer Finance is available at competitive rates and competitive terms on all Zoomlion products.

## **SERVICING AND MAJOR INSPECTIONS**

We specialise in the service and repairs of mechanical, electronics and structural repairs of mobile cranes, lattice boom cranes and other platforms and lifting equipment. We offer both in-house and on-site maintenance, mechanical and structural repairs, and certification to Australian crane standards. Our crane service includes:

- ✓ Mechanical and structural repairs
- ✓ Maintenance and service contracts
- ✓ Accident and failure reports
- ✓ Testing and commissioning
- ✓ Inspection and assessment reports
- ✓ Technical supports and after sales service
- ✓ Load moment computer fault diagnosis and repair
- ✓ CraneSafe (Green Sticker) Assessments
- ✓ Major Inspection (10 year & 25 year) as per AS2550.1-2002

Whether you have a single crane or an entire fleet, from the smallest crawler crane to large all terrains, we have a team of engineers, fitters, mechanics, boilermakers and painters to service your equipment.

### **SPARE PARTS**

We back up all new cranes with speedy, efficient and no fuss spare parts delivery.

For used equipment we can source parts from our worldwide network.

### **THANK YOU**

We are grateful for your consideration in your next hiring decision.

We understand that providing equipment for is only half the job. We recognize that after sales service and backup are just as important to our clients.

Best Regards

**Chris Logan**
