Advance Rentals has been supplying equipment to the Civil and Construction industry since 1991. We have grown to become one of the largest privately owned hire companies in South East Queensland. Over the past 20 years we have continuously expanded and improved our fleet with a focus on large compaction equipment, while maintaining and growing our general hire fleet. This ensures we are able to service our expanding customer base in the Civil and Construction Industries, quickly and efficiently providing the best quality results for our valued clients.

Advance Rentals has skilled and experienced staff from Management, Administration and Maintenance. We strive for continuous improvement which has seen our reach expand to service projects from Northern NSW to the Sunshine Coast and west as far as Roma and Gatton. We have also serviced projects as far as Mackay. Depending on your project we are able to provide our larger equipment anywhere in South-East Queensland.

Our fleet includes a full range of general hire equipment, various lighting towers, diesel pumps, and water filled barriers.

We specialise in compaction equipment and have trench rollers, 3 ton Pad Foot with blade, smooth and Pad Foot Rollers from 2 to 20 tonne, Multi-Tyre Rollers, Combo Rollers, 3 point Rollers with Drag Broom, Excavators, and Loaders. We also now carry the Sakai GW 750 9-25 tonne vibratory pneumatic Tire Roller, a versatile and reliable machine.

Whatever your needs are we will be happy to discuss those requirements with you, anything we don't carry our network means even on a sub-hire we can provide you an excellent and competitive rate.

At Advance Rentals our greatest strength is our commitment to excellence in customer service a willingness to go the extra mile; just tell us what we need to do to win your business. We are looking forward to continuing our growth while maintaining our excellent service record and expanding our market share. We have an eye on continued expansion to achieve this.
