- ❖ *John Deere 670GP Grader*
- ❖ *UTS & GPS Systems (Trimble)*

- ❖ *Water Trucks*
- ❖ *Tippers and Dog Trailer*

BJB Civil Hire is a small family owned company, specialising in road construction throughout Queensland. **Equipment** currently available includes a grader with GPS and UTS (**Trimble**), water trucks, tipper trucks and a dog trailer. **BJB Civil Hire own and operate our machines** and we offer 15 years of experience with final trim, includes 4 years with cement and lime **stabilising** and 6 years with UTS/GPS. Our unique **accommodation** allows us to stay close to job sites as we are completely mobile, fully self-contained (**water, electricity, diesel**) and are able to operate anywhere effectively. Our plant is **equipped** with all required safety gear, such as first aid, spill kits, fixed/handheld vehicle UHF. We also supply, upon commencement of projects, up-to-date **SWMS** and risk assessments. BJB Civil is fully **insured** and **licensed**. **WH&S and environmental policies and procedures**

EQUIPMENT
