

## COMPANY INTRODUCTION LETTER

To Whom it may concern,

Constructa Group is an innovative and value driven company in the business of demolition, Constructa Group offers demolition, asbestos removal, haulage, earthmoving, and other environmental services. We are currently based in Sydney and working towards providing comprehensive, high-value-added solutions that help our client complete their project. We Hold a DE1 Demolition license as well as Non-Friable Asbestos Removal Licence, and our services offer rates at a really good value, and we also offer free quotes.

Constructa is committed to being ethically responsible, to create value in what we do, and to use sound risk and hazard management principles in conducting our business. As part of its 'non-negotiables' Constructa will comply with all relevant legislation including pollution prevention and will strive to develop and improve our business management system to support a consistent and disciplined approach to business processes. We will ensure that appropriate resources (both internally and externally) are utilized to assist in achieving your goals.

For any other queries, please feel free to contact us as mentioned below. We thank you for your support and hope to hear from you.
