Rentals

KUUWA RENTALS

Your premier partner in  
tailored rental solutions

# Indigenous-owned and operated rental business

Kuuwa Rentals is a proudly Indigenous owned and operated rental business specialising in light, heavy and specialised vehicles for the mining and civil construction sector. The company provides bespoke long-term rentals options across Australia for an array of requirements and environments for commercial and industrial applications. Being proud of our Western Australian roots we called our rental company, Kuuwa, which is the indigenous word for 'West'.

Kuuwa is passionate about delivering profits back to Indigenous communities. Some of the initiatives we support include:

- **Breakfast Club** – Providing school children in Onslow with breakfast before school, increasing their attendance and concentration.
- **Mentoring** – Mentoring of those most at risk in Indigenous communities.
- **Rangers** – Conserve, manage and protect native lands.

**Proudly  
Indigenous owned**

**Bespoke  
mining vehicles**

**Reinvesting  
in the community**

# Wide range of rental solutions to suit your business

Lower your upfront and working capital costs with Kuuwa's reliable rental solutions. Our premium brand rentals allow you to quickly meet specific project requirements with the assurance of high safety standards.

## Reliability

Our rental product line includes trusted, global brands. Kuuwa's rentals stay up to date with the latest trends and technology to ensure that clients have access to the newest and most advanced vehicles.

## Safety

The health and safety of our customers is a top priority with all our light vehicle rentals achieving the maximum 5 star ANCAP safety rating. Our rentals are integrated with up-to-date safety features and emission criteria for the best safety and fuel efficiency outcomes.

## Efficiency

Kuuwa's machinery is designed to lower your overall running costs by providing reliable and productive performance.

## Customer service

We can customise your rental to include or exclude maintenance, repairs and insurance.

## Flexible rental options

We can supply custom-built rentals to match all your project requirements on a long-term basis with the option to buy at the end of your rental term.

## Specialist consultation

Our experienced personnel can advise you on the right machines for your application.

## Kuuwa's rental product line

**Trucks and specialised**

**Earth moving and civil**

**Light vehicles**

## Customised commercial light vehicles to suit every job

At Kuuwa Rentals, we specialise in providing you with the right vehicle to help you deliver your project on time and on budget. We know that no two projects are the same and we tailor our offering to suit your specific requirements.

### Premium quality site-ready vehicles

With our extensive mining and civil construction experience, we ensure that every vehicle is mine site compliant.

### Bespoke build for specific requirements

This includes, but is not limited to, explosives storage units, tool boxes, underground applications and kevreks/hiabs.

### Long-term rentals with the option to own at the end of the term

Flexible terms and maintenance options with long-term rental packages.

# Heavy and specialised vehicles

Kuuwa Rentals can source a wide range of state-of-the-art heavy and specialised vehicles including, but not restricted to, large crane trucks, service trucks, explosive trucks, water trucks, 4WD trucks, tippers, fire response trucks and speciality trailers.

Vehicles are available for rent on a long-term basis with the option to own at the end of term.

## Custom built to meet your requirements

### Bespoke concept drafts

All speciality vehicles are custom built to meet your specifications for long-term hire and can be mobilised Australia wide.

These vehicles are built site-ready for mining, civil, construction and resource projects.

# Civil and earthmoving vehicles

Kuuwa Rentals offers a wide range of top grade civil and earth moving equipment to suit the specifications of your project. We work closely with you to ensure that all equipment meets your requirements and to deliver the most cost-effective and productive results.

All of Kuuwa's sourced equipment is custom built and can come with a range of attachments available which include hydraulic hammers, hitches, rock grabs, compaction wheels, skid steer attachments, pallet forks, spreader bars, rippers and a range of different sized buckets.

## We work closely with your stakeholders

Kuuwa works closely with local councils, major contractors, underground and excavation companies, as well as builders and operators to ensure the expectations of our clients are met.

### Our products

We recommend, but are not limited to, Caterpillar, Liebherr and Komatsu so you can assure reliability and a high quality product.

# Increase your supplier diversity

Reconciliation Action Plans (RAPs) are increasingly being used as a structured framework for the actions organisations are taking to contribute towards the reconciliation process with Australia's Aboriginal and Torres Strait Islander people.

There are four types of RAPs – Reflect, Innovate, Stretch and Elevate – which reflect an organisation's level of sophistication around reconciliation.

Indigenous procurement is a key action in RAPs. Many Australian businesses are leveraging their purchasing power to create positive social impact for Indigenous business owners and communities.

As a proud Supply Nation Certified Supplier, Kuuwa Rentals seeks to work with you on your reconciliation journey and towards measurable targets and goals in your RAP.

The following targets can be achieved in your RAP by partnering with Kuuwa Rentals, including:

1

## Reflect

- ✓ Investigate Aboriginal and Torres Strait Islander supplier diversity

2

## Innovate

- ✓ Investigate opportunities to incorporate Aboriginal and Torres Strait Islander supplier diversity

3

## Stretch

- ✓ Investigate, develop and maintain strong Aboriginal and Torres Strait Islander partnerships

4

## Elevate

- ✓ Increase annual spend with Supply Nation certified or registered Indigenous Suppliers

# Kuuwa Rentals – bridging the gap between Indigenous business and the mining sector
